 (500 words max)

Do you want to start your own business?

Join us at the upcoming Business Start-Up Initiative Support Programme!

Send your applications now!

Through this Business Start-Up programme, we offer participants, access to Enterprise Training Toolkits, case studies and further valuable insights on how to bring your business idea into reality. These resources support and equip participants with skills to bring forth their business ideas and nurture them into sustainable early-stage enterprises.

The sessions will incorporate case studies, practical exercises and group work using materials based on proven methods and learnings from Finding XY's engagements with several entrepreneurs, and expertise over the years.

Where	Kampala, Uganda
When	4 th April – 20 th June (Saturdays)
Venue	Finding XY offices (Plot 1920, Ntinda road, Kampala)
Programme Fees	Ugx 1,500,000
Important Note	Participation in the programme is accessible to only the selected participants. Participants must arrange transport and accommodation on their own. Training occurs on Saturday.

Top Benefits for Participants:

- Access to a comprehensive toolkit to support start-ups in business model development, market testing and financial management
- Peer learning & networking with experienced mentors and coaches
- Deep dive into creation and analysis of enterprise business models
- Successful participants will join our network of businesses we are supporting raise investment.

Eligibility Criteria:

This Business Start-Up Initiative Support Programme is aimed at inspiring entrepreneurs. We strive to have a diversified group of participants, where everyone regardless of gender is given an opportunity.
